About INDcool

INDcool is a trusted Indian manufacturer specializing in high-quality water cooling and dispensing solutions designed for institutions, commercial establishments, and public infrastructure. With a strong commitment to engineering excellence and product reliability, INDcool develops durable cooling systems that deliver safe and hygienic drinking water even in high-demand environments.

Our range of stainless-steel storage water coolers, RO-integrated units, and multi-faucet systems are engineered to meet the needs of schools, hospitals, offices, factories, and public spaces across India. Each product is designed with a focus on efficient cooling performance, robust construction, and long operational life.

Driven by innovation and customer trust, INDcool continues to expand its product portfolio while maintaining strict quality standards and dependable after-sales support

THE MULTI-PERFORMER

High Performance Multi-Faucet Water Cooler

A high-performing multi-faucet water cooler with faucets on all three sides is perfect for rush-hour use, offering convenience for all kinds of users including kids. The stainless steel body gives this model a longer product life.

Triple Faucet Design

Convenient taps on three sides for rush hours

Multi Height Faucets

Accessible for both adults and kids

Large Filling Space

Easy bottle filling up to 1 litre

Anti-Corrosive Blue Fin

Longer condenser life & faster cooling

OUR TECHNOLOGY

ADVANCED FILTRATION SYSTEM

Multi-stage filtration system remove impurities, ensuring pure, clean, and safe drinking water.

100% COPPER COOLING

Equipped with high-quality 100% copper cooling coil for faster chilling to ensure long-lasting performance.

ECO-FRIENDLY REFRIGERANT

Environment-friendly non-CFC R-134a refrigerant provides safe, sustainable, and efficient cooling.

ENERGY EFFICIENT COMPRESSOR

High-efficiency compressor optimizes power consumption for superior cooling while saving energy.

Hot & Cold Series

MODEL IDCWCFS40/80 (HC)

Storage Capacity : 80Ltrs
Cooling Capacity : 40Ltrs
Glasses : 200 Per 1 Hour
Use Of House, Shop, Office
etc.

Watts : 575 W
Stablizer req : 1 KW

MODEL IDCWCFS60/80 (HC)

Storage Capacity : 80Ltrs
Cooling Capacity : 60Ltrs
Glasses : 300 Per 1 Hour
Use Of House, Shop, Office
etc.

Watts : 875 W
Stablizer req : 2 KW

MODEL IDCWCFS60/120 (HC)

Storage Capacity : 120Ltrs
Cooling Capacity : 60Ltrs
Glasses : 300 Per 1 Hour
Use Of House, Shop, Office
etc.

Watts : 875 W
Stablizer req : 2 KW

MODEL IDCWCFS80/120 (HC)

Storage Capacity : 120Ltrs
Cooling Capacity : 80Ltrs
Glasses : 300 Per 1 Hour
Use Of House, Shop, Office
etc.

Watts : 875 W
Stablizer req : 2 KW

MODEL IDCWCFS150/150 (HC)

Storage Capacity : 150Ltrs
Cooling Capacity : 150Ltrs
Glasses : 750 Per 1 Hour
Use Of House, Shop, Office
etc.

Watts : 1550 W
Stablizer req : 4 KW
